

**BANNERS,  
FLAGS & GAZEBOS  
CATALOGUE**

# DISPLAY FLAGS

## Single Sided Flag

Your design will be printed on one side only, while the back will be a mirror image at about 80% transparency.

## Double Sided Flag

Your design will be printed on 2 pieces of fabric and sewn back to back with a blockout fabric in-between to stop the other side of the banner being seen.

*All pole kits come in a convenient carry bag to keep all the components together for easy transport & storage.*

## Frame

### 40x40mm Heavy Duty Hexagonal Aluminium Tube

Our aluminium frame features heavy duty hardware making it very durable whilst still being easily portable and lightweight.

### Solid Footplates

Welded footplates at the bottom of each leg provide extra stability whilst giving you the option to secure the marquee to the ground with metal pegs.

### Easy Setup

Our frames are engineered to be easily setup and taken down within minutes.

### Convenient Telescopic Legs

You can easily and quickly switch between four different height settings.
